Bio

With more than 20 years in the industry, Dason Gwartney leads the Employee Benefits sales team at Premier. Gwartney has a highly decorated career in providing strategic employee benefit solutions.

Upon graduating from Oklahoma State University, Dason began his career in the Voluntary Benefits Division, later transitioning to a Key Client Account Executive. Managing the firm's largest and most technical accounts, he quickly drew the attention of senior leadership and was later promoted to Vice President. In this role, he focused on developing a team of account executives to serve their growing book of business. In 2005 Gwartney accepted an opportunity to develop the Employee Benefits Division with a boutique insurance firm. During his tenure, he grew the employee benefits business by more than 300% while increasing retention levels through an enhanced customer service model and product offerings.

Throughout his career, Gwartney continues to deliver the highest value plans meeting specified budget requirements, which makes him one of the most sought after employee benefits consultants in the Midwest.

In his downtime, Dason enjoys spending time with this family, fishing and enjoying Grand Lake. He also serves on the Oklahoma Aquarium Foundation board and volunteers for the International Fibrodysplasia Occificans Progressiva Association, IFOPA.
